Letter from the White Sulphur.

GENERAL ROSECRANZ'S VISIT--THE OBJECT OF IT--HIS INTERVIEW WITH GENERAL LEE--SUBSTANCE OF THEIR CONVERSATION--INTERVIEW WITH MR. STUART--PROBABLE PROMULGATION OF AN ADDRESS BY SOUTHERN REPRESENTATIVE MEN.

[Correspondence of the Richmond Whig.]

WHITE SULPHUR SPRINGS, Aug. 22.

The arrival of General Rosecranz by the stage yesterday created quite a stir among the male sojourners here, among them many who figured largely in other days in the councils of the nation. The object of his visit, before his arrival, was understood to be for the purpose of conferring with Gen. Lee and others as to the best means of placing before the North a statement of the real feeling of the people of the South towards the Union. He had stopped in Stanton to see Mr. Stuart and compare views with him, but that gentleman was here at the time. General Rosecranz had, however, a long interview with the Hon. John B. Baldwin, which he states was very satisfactory to him.

As soon as dinner was over, General Rosecranz sought General Lee, and they conversed freely for some hours. There sat in the same room two general officers, who, early in the bloody drama not long closed, figured as the leaders of two opposing armies, talking of peace and reconciliation, and a restoration of the government. And what Robert Lee said then and there, the South said, for he is the embodiment of her sentiment, and she is willing to confide her honor, her interest and her all to his keeping, knowing that whatever he does is right. General Rosecranz, who is a very fluent talker, and who expresses his opinions with a soldierly want of reserve, as your correspondent knows, said there were many honest, well-meaning men in the North and West who have been led to believe, by the misrepresentations of the Southern correspondents of the Radical press, as well as by the speeches of the leaders of that party, that the people of the South are just as hostile to the Union now as during the war, and as much embittered against the Northern people as they were when both were in arms; that they hate the negroes with a deadly hate because they have been freed, and but for the strong arm of the military would reduce them to a state of practical slavery, and perpetrate all manner of outrages upon them.

He proposed, therefore, that the general officers of the Confederate army, representing as they do the valor, the chivalry and the truth of the South, unite and lay before the Northern people, in a tangible form that cannot be disputed, the true state of the feeling as he had found it everywhere in his travels South.

General Lee denied that the people of the South are inimical to the Union. They want peace, and long for it. This is their universal sentiment as far as he has been able to ascertain it, and his opportunities have been many, from frequent conversations and extensive correspondence with representative persons in all parts of the South. As to their animosity to the negro, nothing could be farther from the fact, and why should there be? Said he, there is no rivalry between the races, but a reciprocal interest growing out of the fact that each is dependent upon the other to a great extent—one needing employment and the other employees. Apart from this, they had been reared together and there is a natural affection and sympathy between them.

General Lee gave his cordial approval to the patriotic object which General Rosecranz has in view and is so zealously prosecuting.

At the close of the interesting interview, which lasted some hours, a number of gentlemen, including Hon. A. H. H. Stuart, General Echols, Gen. J. R. Anderson, Maj. Sutherlin, of Danville, called on General R. and protested against his leaving this morning, as he announced he intended to do at his arrival. He referred to his meeting with General Lee in terms of great satisfaction and readily consented to remain until Sunday. As they were leaving, he requested Mr. Stuart to remain and confer with him in the same frank, honest, soldier-like manner he had with our great captain in the afternoon. The views expressed by him were substantially the same as I have given in the abstract above. The conversation, however, took a wider range and embraced the political issues now before the country. Upon these Gen. Rosecranz was not at all reticent as to his position, nor as to his preference between the Presidential tickets. Mr. Stuart gave him a full, frank and clear statement of the condition of things in the South, the feeling of the people as to the Union, their friendly regard for the negroes, their detestation of carpet baggers, Radical emissaries, and their desire for speedy restoration to the Union in a Constitutional way. To-day, Gen. Rosecranz was in conversation with other gentlemen here, omitting no occasion to give expression to the same views. He is evidently in earnest.

No plan has yet been decided upon, but it is probable that some distinguished gentleman, known to the whole country, will be requested to prepare a paper in accordance with the suggestion of Gen. Rosecranz, which shall set forth clearly and fully the real state of feeling now existing in the South. This will be printed and forwarded to all the General officers of the Confederate army and such representative Southern statesmen as it is deemed desirable should sign it, for their signatures. At the same time they will be requested to add such comments as they may think proper.

THE POLITICAL CAMPAIGN—RADICAL PROSPECTS NORTH AND SOUTH.

All the advices received here recently from the South represent carpet bagism as on its death bed. With the exception of Florida and South Carolina all the Southern States are conceded as certain to go for Seymour and Blair. The Radical organizations in the reconstructed regions are dwindling away rapidly, and defection has reached their very stronghold with such alarming results that the carpet-bag heroes see nothing but ruin ahead. They have discovered their weakness in the very spot where they looked for an impregnable tower of strength. The negroes whom they relied upon as their right arm of power have become disgusted and proclaim that the white Radical is a greater enemy to them than the white rebels who were lately their masters. The most intelligent blacks, therefore, have determined to join hands with their old masters and thus drive away the carpet-bag adventurers from the South to their native element. This repudiation of Radicalism by the colored citizens is overwhelming the Republican leaders of the South, and consequently they are beginning to realize that they have been caught in their own trap.—Several shrewd Republicans who have just returned from different parts of the South admit that Sambo has turned the tables upon them completely and that now their only hope of success is in the North. This last hope seems not to have a very firm hold of them either, judging by the manner in which they write to their friends in this city. The correspondence sent here from different States in the East and West by Radical stumpers and managers is of the most desponding character. They admit that Pennsylvania, Indiana and Ohio are lost to Grant and Colfax beyond redemption, and one of them declares that Illinois will go the same way unless the strongest efforts are made to save it. Logan's defeat as Congressman at large from the State is spoken of as certain, but the electoral ticket, it is urged, may be carried by clever engineering. The most sanguine Republican I have seen here from Colfax's State only figures up a Republican majority of three thousand in Indiana. This Republican is one of the most shrewd and influential politicians in the State of Indiana. In fact the impression is very general here now that Seymour and Blair will be elected by a very decisive majority, not on account of any great popularity of their own, but because the people of the country are determined to have a change anyhow.—*Wash. Cor. N. Y. Herald.*

VEGETABLE PILE OINTMENT.

TO THE PUBLIC.

For 25 Years I was sorely afflicted with the Piles. After trying every remedy I could hear of and failing to receive any benefit, in 1857 I discovered a remedy, purely vegetable, which effected an entire cure, and I have had no return of it.

Anxious to relieve the afflicted and to promote my own benefit, I made public my discovery and had the gratification to know that my remedy cured a large number of persons. My ointment was advertised in the public prints and I met with great success, until the war came on.

By the advice of friends, I have determined again to manufacture the OINTMENT and offer it for sale. Any number of certificates of its value could be obtained if necessary.

Price of box $1, and postage when sent by mail. As soon as I can make arrangements, I will put it in the hands of the druggists of the State.

A CARD.

SEVERAL months ago, I purchased the entire stock of goods owned by BRANSON, FARRAR & CO., and so dimmed the business, changing the name afterwards to Branson & Jones,—silver being myself as Proprietor and Mr. Branson as Agent for the N. C. Business Directory.—But as some persons seem, erroneously, to consider it a partnership, or to blend the interest of the former firm with my own I shall henceforth conduct the business under my own name alone, unless some partner should be taken hereafter. Mr. Branson will continue to be General Agent for the N. C. Directory, which will necessarily engage most of his time and attention.

I shall be pleased to furnish our friends and the public with BOOKS, STATIONERY, SHEET MUSIC and other articles in our line, at lowest cash prices.

THE RADICAL PARTY IS THE WAR PARTY.

The Conservatives and Democrats have been clamorous for *peace* ever since the war closed. The Radical party has continued to make war upon the South ever since. It was against the Constitution—it was against the recognized rights of the States—it was against the rights and liberties of the Southern whites—it has denied them the right of the writ of *habeas corpus*—the right of trial by jury—it has fixed upon the South a standing army in a time of peace. All this it has done for three years, and even now,—after that party admits that North Carolina is a member of the Union and her citizens entitled to the same rights as any of the citizens of any other State—the Radical party continues to war upon us.

The Radicals charge that the Conservatives and Democrats are "rebellious," that they are still revolutionary, and that they design to sweep away, by force, the present State governments. The Conservatives protest that this is *false*. They deny that they are either "nullifiers or revolutionists." They are advocates of law and order. They deny that they are bound by the pledges or sentiments of any one man. They are pledged to the support of the platform of the National Democratic Convention. Is there any war in *that*? They regard the letter of Horatio Seymour, accepting the nomination for the Presidency, as the proper exponent of the platform? Is there any nullification, any revolution, any war in *that*? Not a whit. They will stand by the platform,—they will stand by the doctrines of Mr. Seymour's letter.

The whole origin of the clamor about the war-like of the Democrats and Conservatives is totally unwarranted. The letter of Gen. F. P. Blair, written *before* the nominating Convention met, was written in answer to a letter from Col. Broadhead, soliciting the use of his name as a candidate for the *Presidency*. When the Convention met, the Democrats and Conservatives of that body did not nominate Gen. Blair for the Presidency. His devotion to the Union and the Constitution were undoubted. Had the party meant *war*—had it meant nullification or revolution, as the few weak kneed quasi former Conservatives in this State, who desire office and place, no matter who rules, seem to fear,—and had Gen. Blair's letter *meant* this, they would have selected Gen. Blair as their leading banner bearer. But the Democratic Convention was *Conservative*—it was not for war, but for peace. Hence they selected that able, high toned Conservative Democrat, Horatio Seymour, of New York, for President, and put him and Gen. Blair upon the great platform of principles adopted by the Convention, which are eminently for peace, for law, for the Constitution and the Union.

Fellow citizens! be not deceived by this unfounded, senseless, lying clamor, or the weak-kneed doubts of any one. The Radical party in North Carolina and in the country *are for war*. Hence, they are in favor of arming a negro militia—hence, they are ready to adopt the most irritating and provoking measures possible—hence, they are stirring up the negroes for strife and riot and disorder. Charge upon them! They are the war party—the fomenters of strife, of discord and contention. They can only live by strife—they fill their pockets by contention and discord.

REASSEMBLING OF CONGRESS.—It is now supposed, since the discovery that Congress tied up the hands of the authorities in the matter of arming the Southern militia, that the carpet-bag interest will probably succeed in their efforts to convene Congress in September. A leading Republican journal now before us says, regretfully, they (the carpet bag governments) "have now only *Federal soldiers to rely upon.*" What a commentary this upon the character of those governments! They so abound in villainy that they cannot rely upon United States troops to execute their atrocious schemes, but must have their own negro militia to back them up. Instead of brave and loyal citizens, they want assassins and ruffians.—*Ral. Reg.*

The march of Radical despotism—no [illegible] Virginia—no election in Mississippi [illegible] in Texas—no election in [illegible] peace."

A MATTER OF HISTORY.

Judge Pearson says: "At the Fortress Monroe conference, it was in our power to be restored to all the rights of a State, provided we would submit to gradual emancipation."

We have before us the official report of the conference in "Hampton Roads," (not at Fortress Monroe, as the Judge has it,) made to the Senate of the United States, by President Lincoln, on the 10th of Feb., 1865, and we find nothing to warrant the declaration, that any proposition was made to the Confederate Commissioners, Messrs. Stephens, Hunter and Campbell, on the subject of a restoration on the terms stated by Judge Pearson. On the contrary, the instructions from Mr. Seward to the President expressly say: "You will make known to them, that three things are indispensable, to wit: *First*, The restoration of the National authority throughout all the States; *Second, No reading by the Executive of the United States on the slavery question from the position assumed thereon*, in the late Annual Message to Congress, and in preceding documents; *Third*, No cessation of hostilities, short of an end of the war, and the disbanding of all the forces hostile to the Government, &c." These instructions were given to Mr. Seward, and are dated Jan. 31st, 1865.

Subsequently, Mr. Lincoln concluded to meet Messrs. Stephens, Hunter and Campbell, personally, and did so, on the 3rd. of February, in Hampton Roads, and this is his report to the Senate of that interview: "On the morning of Feb. 3rd. the three gentlemen, Messrs. Stephens, Hunter and Campbell, came aboard our steamer, and had an interview with the Secretary of State and myself, of several hours' duration. No question of preliminaries to the meeting was then and there made or mentioned.—No other person was present, no papers were exchanged or produced, and it was, in advance, agreed, that the conversation was to be informal and verbal merely. *On our part, the whole substance of the instruction of the Secretary of State, hereinbefore recited, was stated and insisted upon, and nothing was said inconsistent therewith, &c.*" And, in confirmation of what the President communicated to the Senate, Mr. Seward, in a letter to our Minister at London, in speaking of the Hampton Roads interview, says: "The anti-slavery policy of the United States was reviewed in all its bearings, and *the President announced that he must not be expected to depart from the position he had heretofore assumed in his proclamation of Emancipation, and other documents, as those positions were reiterated in his annual message &c.*" The Richmond party were then informed, that Congress had, on the 31st ultimo, adopted, by a Constitutional majority, a joint resolution, submitting to the several States the proposition to abolish slavery throughout the Union, and that there is every reason to expect that it will soon be accepted by three fourths of the States, so as to become a part of the National law, &c."

Now Mr. Lincoln could hardly have made the proposition to restore the Confederacy "to all the rights of a State," as Judge Pearson has intimated, in the face of the resolution of Congress, which he informed the Richmond party had been passed, and in the face of his instructions to Mr. Seward, which, he informed the Senate, "*were stated and insisted upon.*"

THE MILITIA.

It is understood that "Gov." Holden has appointed Abel W. Fisher, of Baden County, as Adjutant General of the State, under the late Militia Act. Who is Abel? We don't know—never heard of him before. He is probably a carpet-bagger—an imported Adjutant General of North Carolina.

It is also officially announced that "Gov." Holden will proceed to carry into execution the Militia law—Gen. Schofield and the Act of Congress to the contrary notwithstanding. We reproduce the clause in the Army Appropriation Bill, cited by the Secretary of War:

"*Be it enacted*, that all militia forces now organized, or in service, in either of the States of Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi and Texas, be forthwith disbanded, *and that the further organization, arming or calling into service the said military forces*, or any part thereof, is hereby PROHIBITED, under any circumstances whatever, until the same shall be authorized by Congress."

It is said that "Gov." Holden will not respect the act of Congress, inasmuch as Congress has no right to make such a prohibition as to a State in the Union! What! Will the Radical revolutionists and "Gov." Holden *dare* to question the omnipotence of *Congress*? That would be a pretty "come-off," truly, in view of the past.

But the *Constitution* of the United States, itself, to say nothing of the Army Appropriation Bill, is infamously and glaringly violated by the Militia Bill of the late bogus Legislature, and it will be the sworn duty of the President and Secretary of War to put a stop to "Gov." Holden's violation of that instrument, and his conspiracy, with others, against the public peace. *We shall see.*

"THE ENEMY BECOMING PANIC STRUCK—LETTER FROM GEN. GRANT."—Under this caption, the last Washington *Evening Express*, generally a very reliable paper, says:

"We learn that Gen. Grant, alarmed at the revolution going on in the public mind, and hoping to mollify a deserting public opinion, will soon come out in a letter assuming a conservative position. Too late, General! You have been weighed in the balance and found wanting. And no late, in-the-day repentance of past blunders—no repudiation of bad associates—can save you and your party from the wrath of the people."

WHAT IT TAKES TO SUSTAIN A RADICAL GOVERNMENT.—The expenses of the Government for the month of July were, as reported by the Secretary of the Treasury, $46,349,000—or equal to *five hundred and fifty-eight millions five hundred and eighty eight thousand dollars a year*. All this sum is extracted from the labor, industry, and enterprise of the masses. It is no wonder the people complain of hard times.—*Wash. Express.*

For the Sentinel.

THE LUNATIC ASYLUM.

Editors Sentinel:—I have been displeased as Steward of the Insane Asylum of N. C., for no other reason, that I am aware of, than, although disenfranchised and kept from the polls at the point of the bayonet, that I failed to vote the Radical ticket, and for the further reason of being in the way in arranging some nice little fat contracts. Both the former and present Superintendent commended me for my strict attention to the duties of my position; the latter stating, in his report to the Governor, which was transmitted to the Legislature, that I had performed my duties with "efficiency and integrity." (See the report.) The purpose of this card is, therefore, to announce myself a candidate for the office of Steward again, when the management of the Asylum shall fall into the hands of men who may wish to employ a man of "efficiency and integrity" for that position. My modesty forbids any allusion to the many flattering things that have been said of me, as Steward of the Asylum, by those with whom I have had business intercourse, and those with whom I was officially connected, but they inspire me with the hope that my claims will be considered at the proper time.

Respectfully,
J. H. MOORE.

Halifax Co., N. C., Aug. 25, 1868.

REMARKS.—A public duty, and a regard for the public interests, oblige us to say a word in reference to Mr. Moore's removal.—He is a true Conservative, and has faithfully discharged his duty.

Several days before Mr. Moore's removal, we were satisfied that he was in the way of the Managers of that Institution, as he could not be used, and, therefore, that he would be removed, and we told him so.

We learn that our Sheriff, who carries on butchering, was anxious to make a contract to furnish the Institution with beef. He offered to do so, at 13 cents per lb.—then for 12½ cents. Mr. Moore was opposed to making a contract,—had found that he could get better beef, and at lower rates, by buying as he wanted. He was then buying at 7½ and 8 cents, and was opposed, therefore, to the Sheriff's proposition. He agreed for a time, however, to buy beef of the Sheriff at 8 cents. About the same time, we learn that the Superintendent of Public Works, C. L. Harris, Esq., proposed to contract with the Asylum to deliver 1,000 cords of wood for $4,000. Mr. Moore opposed this proposition, for the reason that he was then buying wood for the Asylum at $3 per cord, and believed he could buy the supply necessary at $3, and thereby save $1,000 for the State. In a few days after these propositions were made, and Mr. Moore opposed them, he was removed.—We have since learned that Mr. Harris has made a contract with the Asylum to furnish 1000 cords of wood for $4 000!! And this is the way the people's money is going!

THE COLORED SOUTHERN PEOPLE GOING FOR THE DEMOCRACY.

The Woodville (Miss.) *Republican* publishes the following letter, written by the Rev. C. W. Fitzhugh, who is represented as "a very able and well educated colored man, who, as a preacher and teacher, has done more to control the opinions of his race than any man in the South." He was a leading member of the late Convention in Mississippi:

WOODVILLE, Miss., July 31, 1868.

Hon. H. S. Van Eaton, President Democratic Association—Sir: Allow me to beg pardon for taking such a privilege as this, in writing to you. Sir, for nearly two years I have been in this country trying to raise my people from a state of degradation, both morally and religiously. Up to this time there is no doubt that they have improved. During said time I was honored with the presidency of the Union republican party of this county, also was delegated to go to Jackson as a member of the constitutional convention; elected by a republican constituency, I advocated their doctrines and returned home. During my stay in Jackson I was treated with using everything that claims a part of any party. During the session of the Republican Nominating Convention I used every nerve to have a colored man placed on the State ticket, but I was astonished at finding no chance for a colored man. I came to a firm conclusion that there was no office for any one but the Northern man, be he white or colored. The true principle of the republican party is good, but when covered over by Northern men with their mantle of deceit I flee from it as I would from an adder or the sting of a snake.

We call for peace—we seek peace. Can we get it? I answer yes. Then the question is, how shall we get it? I say most emphatically let the whites of the South and the colored men join hand in hand and bid defiance to any man who will try to break asunder that policy of universal freedom and educational qualification to vote or hold office.

Sir, look at the condition of the South today; our lands are uncultivated, our homes have become desolated, our wives, children and friends are crying for bread, the whites and blacks are apart, divided by prejudice. What has caused it? Allow me to say, sir, that I have been converted to the fact that none save those of the North, garbed in the disguise of the friends of black, have caused it. Then I say, "away with such a man or men." They are impostors on the land of good people, and will cause more blood to be split than the Union of these States is worth. I have come to the conclusion that they are not the friends of the colored man. Look at the condition of the blacks in this State to day; they are starving; they go to those that claim to be their friends; they tell them, "I'm just out, I have no money, our party is poor." Now, sir, if their party is poor, and our people are poor, two poor strings will spoil the fiddle; therefore let our people go to those that will do them good. I want my people to prosper, and they never will until they go under the protecting wings of the democratic party, which will soon wield the power it once had, and cause the welkin to ring on to victory—cause the impostors to fly as the feathers before the wind and let this State go back again into the Union, under the doctrines of Washington, Clay and the profound principles of Webster. Let us frame a constitution from the plan of the constitution as it now stands, and let our motto be, "The Constitution and Seymour forever."

I leave the republican party, believing it ruinous to the Union and an enemy to the black race, and the up-holders of tyranny in our beloved Union. More anon.

CHAS. W. FITZHUGH.

DISTRICT CONVENTION.—The names of the following gentlemen were inadvertently omitted as delegates to the District Convention (at Franklinton) from Wake County, in the printed list in yesterday's issue, viz: Jasper Fleming, Wm. Laws, J. J. Overby, Wm. Clements, Moses A. Bledsoe, Geo. W. Thompson, Parker Overby and George W. Norwood.

STATE NEWS.

The Wadesboro *Argus* says that the prospect of overcoming the Radical majority in Montgomery, at the next election, is very hopeful. At Polk precinct, where there were but four Conservative votes polled in the late election, a Seymour and Blair Club has been formed, numbering forty men.

At a late Democratic meeting at Diamond Hill, in Anson, an effort was made by the wine and black Radicals to create a row and break up the meeting. Their cowardly and lawless attempts were prevented by the firmness and forbearance of the Democrats and Conservatives.

A riot, on the part of the negroes, was imminent in Newbern, on Tuesday. A Constable attempted to arrest a negro, Jno. Mayo, for having stolen property in possession, when he was resisted and assaulted by the negro, who made his escape. Subsequent attempts to arrest him were prevented by large crowds of excited negroes, who were vehement in their denunciations of the "d—d white rebels," &c. &c. The negro finally gave himself up. Whither are we tending under this Radical rule!

There was a most enthusiastic meeting of the Seymour and Blair Club of Charlotte on Monday night. Captain James A. Treadwell, of Columbia, S. C., General John A. Young and Governor Vance addressed the meeting with fine effect. Two colored Democrats also address ed the Club, giving the scallawags and carpet baggers some hard blows. The *Times* says that it was the largest night political meeting that has assembled in Charlotte for years.

The Wadesboro *Argus* says:

"The family of Dr. E. F. Ashe, including himself, made a very narrow escape from poisoning on Friday of last week. They were partaking of a very large watermelon, purchased from a wagon, in town, when the Doctor discovered that the melon had been heavily charged with belladonna. Fortunately the poison had only been placed just inside of the rind, and had not penetrated very far into the edible portion of the melon. Mrs. Ashe and the young child who eat of the heart of the melon were not affected by the poison, but the Doctor and his son Pickett, who eat of the portion between the heart and rind, felt its effects all the afternoon.

The melon was one of a lot that had been brought from near the South Carolina line. It is supposed to have been charged by the grower to pay off some thief, and to have got into the lot sold by mistake. There was enough belladonna in it, the Doctor says, to have killed a large number of persons."

MARRIED:

On the 24 h inst., by S. D. Harrison, Esq., Mr. DARIUS MENOTH to Miss SARAH A. RAY, daughter of John Ray, Esq., all of this city.

THE SESSIONS OF THE SEVERAL Departments open as follows:

The PREPARATORY, September 9th; the COLLEGIATE, September 23rd; the THEOLOGICAL, October 7th; the LAW, October 14th; and the MEDICAL, October 13th.

This College was organized with a reference to the oft urged suggestion of WASHINGTON, that a University, at the Federal Metropolis, would tend to the "assimilation of the principles, opinions and manners of our countrymen, by the common education of a portion of its youth from every quarter." Its graduates have verified the expectations of Madison and Monroe, that the facilities of hearing debates in Congress, arguments in the Supreme Court and Lectures from eminent men, and of visiting Libraries and Collections in Science, gathered at this centre, would foster a comprehensive mental development.

The Preparatory School gives a thorough training for business, and preparation for College. The College proper has eight efficient Professors; all the Chairs being filled. The Theological school has three Professors and Lecturers; the Law School four, and the Medical, ten. The expenses are as low as at other Colleges.—Number of students the past year, 436. That most excellent Institution, Edgeworth Female Seminary, Greensboro, will be re-opened on the first Monday in September. The buildings have been repaired and refurnished. We call attention to the advertisement in another column. Edgeworth, under the efficient auspices of President Caldwell, assisted by his able Faculty, will fully rival its ancient prestige.

Maryland Agricultural College: We direct the attention of the public to the announcement, in another column, of this great Institution. No similar Institution in the country presents rarer inducements and advantages, and no State has higher claims upon our consideration and patronage than Maryland.

MILITARY.—The two Companies of the Sixth Infantry, which have been stationed in this City for some time past, have been ordered to Charleston, we learn. A portion, if not all, of them left on yesterday. A company of Cavalry takes their place, temporarily.

AUBURN.—We are gratified to learn that the most enthusiastic feeling prevails in this district. The Seymour and Blair Club at Auburn already numbers 150 men,—among the number several colored men. A mounted delegation of the Club, one hundred strong, will attend the Mass Meeting and Barbecue, at Walter Moore's, in Johnston county, to-day. They will carry flags, banners, music, &c., and anticipate a glorious time.

FRANKLIN'S.—A meeting of the Seymour and Blair Club of this precinct will be held to-morrow, (Friday,) at 1 o'clock. The public are invited to attend.

THANKS to D. Schenck, Esq., of Lincolnton, for a Club of ten subscribers to the *Sentinel*.

THANKS to Dr. P. T. Henry, of Bertie, for a Club of ten subscribers to the *Sentinel*.

BINGHAM'S CÆSAR.—We are indebted to the Publishers, Messrs. E. H. Butler & Co., 137 South 4th Street, Philadelphia, through J. H. Enniss, of the N. C. Bookstore, in this city, for a copy of Bingham's Cæsar, just issued in the most handsome style of typography. Col. Wm. Bingham, of the Bingham School, has already done incalculable service to our Classical School Literature by his admirable Grammar, and his Cæsar is pronounced, by critics, to be the finest edition yet issued from the Press. We regret that our own engagements will not permit us to examine or present its merits as fully as we could desire, and we should be glad to have a critical notice from a competent source.

INSANE ASYLUM IN THE FIELD.—We are surprised to learn that Dr. Grissom, the Superintendent of the Insane Asylum, addressed a Radical meeting at Auburn, in this county, a few days since. This is one of the effects of the example set by a political Judiciary, and it cannot be too seriously deplored. We should suppose that Dr. Grissom would have his hands full at the State Charity over which he presides,—especially in the commencement of his administration, when he has to acquaint himself with his new and grave duties.

We learn, by the way, that there were only some twenty five negroes at the meeting referred to—the Speakers being Dr. Grissom, J. T. Deweese and Booker Hutchings, (negro.) Booker told his brethren (and Booker knew better, of course,) that it was the purpose of the Democrats and Conservatives to enslave them; but Deweese (marvellous to relate!) rebuked him for the assertion, and said that *that* was not so—the freedom of the blacks was assured, and no party either desired to re-enslave them or could do so. We owe Deweese *one*.

Why didn't Deweese and his company eat dinner with the polite old colored man, who invited them to do so?

STARBUCK.—D. H. Starbuck, Esq. having declined the Judgeship, to which he was recently elected, "Gov." Holden has appointed one Jno. M. Cloud, of Yadkin, to fill the vacancy. He is said to be *very cloudy*. Mr. Starbuck doubtless sees more money in the U. S. District Attorneyship, which he now holds, than in the Judgeship.

A correspondent of the *Evening Post* says that in Louisiana "Grant and Colfax are no more spoken of than if they had never existed." Well, are they much more "spoken of" anywhere else? Has not Grant bid the ladies and gentlemen "good night," and gone in? Has not Colfax "smole" his last smile, and announced to the ladies and gentlemen that he declines all further receptions? And what of it? Why this: the show is ended; it is discovered that the most cordial "good night" will not reduce taxation, or bring down the price of flour, and that the sweetest smile, even from a Speaker, is not exchangeable at any store for shoes. The good night and smiling business is over.—*N. Y. World.*

ORGANIZATION OF A SEYMOUR AND BLAIR CLUB FOR SWIFT CREEK DISTRICT.

Pursuant to previous notice the Conservatives of Swift Creek District, Wake county, met at Franklin's, on Thursday, Aug 20th., for the purpose of organizing a Seymour and Blair Club.

On motion, N. J. Whitaker was requested to take the Chair and Capt. W. E. Peirce to act as Secretary.

The Chairman, in a brief and eloquent address, explained the objects of the meeting.

On motion, a Committee of five were appointed to recommend permanent officers for the Club, and to draft a Constitution and by laws for its government.

The Committee, after a brief retirement, reported for permanent officers, as follows:

For President, M. McStephenson; For Vice-Presidents, Geo. W. Woodall, Wellington Bradshaw and C. H. Stephenson; Recording Secretary, Capt. W. E. Peirce; Corresponding Secretary, N. J. Whitaker; Treasurer, Jesse Winburn; Directors, Col. L. D. Stephenson, John W. Rogers, Madison Jones, Geo. W. Atkinson and Jas. Steadman.

Which recommendations were, on motion, unanimously adopted by the Club.

The Committee on Constitution and resolutions reported that published in the *Sentinel* for Seymour and Blair Clubs, and summitted the following resolutions:

Resolved, That we heartily approve of the Platform and Principles adopted by the Democratic National Convention, held in the city of New York, on the 4th of July last, and that we will earnestly and energetically support Hon. Horatio Seymour and Gen. Frank P. Blair, the nominees of said Convention for the Presidency and Vice Presidency of the United States, at the ensuing election.

Resolved, As a retaliatory measure, forced on us by the proscriptive policy of the Radical party, that we hereby pledge ourselves in the future, to *aid, encourage, employ and patronize* Democrats and Conservatives in preference to all others, and to protect and defend each other in the exercise and enjoyment of all our constitutional and legal rights.

Resolved, That we earnestly endorse the action of the Democratic and Conservative Convention, at their meeting in Raleigh, Aug. 13th., and we hail with gladness the large and enthusiastic delegation there present, as an indication that our good old State has awakened from her lethargy, risen in her might, determined to hurl the present radical scallawag, carpet bag Government, which has ruined our country, preying on its vitals by oppressive taxation, from that power they have usurped by military aid and fraud.

Resolved, That we earnestly invite every true lover of his country, white or black, Northerner or Southerner, in this District, irrespective of his past record, to unite with us in this Seymour and Blair Club, which is not proscriptive, secret or oath bound, but simply an organization of the good and true men of this District, pledged to use every influence and exertion in the coming canvass, for the election of our noble standard bearers, Seymour and Blair and save our country from the ruin, moral, pecuniary and political, into which we are already engulphed; a fate worse than Hayti or San Domingo.

These resolutions were unanimously adopted by the meeting.

In response to repeated calls, Capt. W. E. Peirce and George Stronach, Esq., addressed the meeting in able and forcible remarks, which were received with the greatest enthusiasm. Sixty members were enrolled in the Club.

On motion, it was resolved that the proceedings of this meeting shall be handed to the Editors of the *Sentinel*, with a request to publish the same.

On motion the meeting adjourned to meet at Franklin's, Friday, Aug. 28th, 1868.

SUPERIOR COURT IN HARNETT—HOW THE NEW CODE AFFECTS THE NEGROES—DEMOCRATIC MEETING—COLORED ORATOR ON THE STUMP.

HARNETT C. H. Aug. 17, 1868.

Editors of the Sentinel:—The first Superior Court under Radical rule for this Circuit was held at Harnett C. H., this week, Judge Buxton presiding. This Circuit has been fortunate in securing the election of Judge Buxton. The State docket was taken up on Monday and many cases of assault and battery and larceny were disposed of.

Late in the evening quite an excitement was gotten up among the negroes, (I can say *negro*, Messrs. Editors, down here in the piney woods, without having *Jo* after me, as he was after you in the State House,) who had been convicted of various offences against the laws. They had made arrangements with their friends to stand their security, but, to their surprise, they were notified that, under the *new laws*, they must pay the money or go to jail. Some of them wept bitterly, and said they had been badly fooled, for they had been promised a mule and cart, and forty acres, and it turns out to come in the shape of Harnett Jail!!

On Tuesday, a large Democratic meeting was held, and ably addressed by A. D. McLean, Henry Coffield, a negro, mounted the stump and endressed a large crowd of all colors. He declared his intention to vote for the Democratic candidates and gave his reason for so doing. He declared that all the protection he had received, since his emancipation, was from the Democrats, and that the Radicals had nothing to give and no one would trust them. He declared that no Democratic negro would have to go to jail that day, as they were able to pay the demands against them. He said the league negroes had nothing to eat, and would not have until they stopped their league meetings and went to work.

At this point, he was interrupted by a leaguer, who asked him if he was not going for a party who wished to re-enslave them. His reply was: "One war freed me, and it would take another to re-slave me, and the Radicals are trying to get *up a war!*"

Harnett will give 500 majority for the Democrats.

HARNETT.

JOHNSTON.

A large and enthusiastic gathering of the citizens of Earpsboro', and its vicinity, assembled at Earpsboro, on Saturday, the 22nd. A. W. Richardson, Sr., presided.

A Seymour and Blair Club was organized, and sixty names were immediately enrolled.

The following are the officers of the Club, viz: President, A. J. Taylor; Vice Presidents, Dr. Walter Debnam, Jethro Lewis and Wyatt Earp; Recording Secretary, Capt. J. W. Vick; Treasurer, A. W. Richardson, Jr.; Directors, Ed Strickland, A. A. Lunn, A. W. Richardson, Sr., Dr. C. H. Harris and James Bunn, Jr.

The club was ably and eloquently addressed by Dr. Walter Debnam, A. A. Lunn, Esq., and Capt. J. W. Vick.

The meeting adjourned to meet again on Saturday, the 5th. of September.

SEYMOUR AND BLAIR IN RICHMOND.

LITTLE'S MILLS, RICHMOND Co., N. C., August 17, 1868.

Messrs. Editors:—You will no doubt be pleased to learn that the Conservatives of this county are moving in the good cause of organizing Clubs and pledging themselves to the support of Seymour and Blair in the Presidential contest. A Central Club has been organized at Rockingham, and auxiliary Clubs are being formed in the several precincts of the county. Quite a respectable collection of the good citizens was assembled here on Saturday last, for that purpose.

The meeting was organized by calling to the chair that venerable and leading citizen, Col. John McRae, late of Fayetteville. We were indeed astonished at the vigorous and enthusiastic zeal manifested by him in the few but pertinent remarks made by him, upon taking the chair. Capt. Bradley was unanimously elected Secretary.

The meeting was addressed by Mr. Chas. Montgomery, a "*relic of the old Mock*," Dr. John Montgomery. The beautiful and chaste remarks to which he gave utterance, "fired-up" now and then with the most patriotic and fervid eloquence, were indeed a pleasant treat to his many friends, who were for the first time witnessed to his oratorical abilities as so satisfactorily displayed in this his first *maiden* effort on the stump.

Next in order came John Cole, Esq., who entertained the crowd for an hour and a quarter in an elaborate review of the doings of the Radical party, since the surrender of Gen. Lee up to this time. He showed up the nefarious workings of their infamous agents, Freedmen's Bureau men, the scallawags and carpet-baggers. But neither time or space will admit of our doing justice to his speech. During its delivery the few Rads present looked quite uncomfortable and seemed to breathe more freely when he closed; and when Mr. Alexander Cole was introduced, they commenced congratulating themselves when he betrayed a little natural embarrassment, but the hang-dog look soon came back to their faces, when it became evident that Capt. Cole could flail the *raw side* of a Radical, whether standing on his head or his heels. The speech was short, but highly commended.

The closing speech was delivered by Mr. Clay Wall, in a fervid, chaste and eloquent effort. We were little prepared for so much eloquence and chaste oratory. He held the large crowd spell-bound for an hour and ten minutes, but it did not seem to any one half that length of time.

Richmond and Montgomery Counties may well be proud of their young champions in the Conservative cause. There are many working young men equally entitled to a meed of praise, who will be able to give a good account of their work accomplished by the *3rd* of November. Prominent at this precinct, we noticed Mr. Ewing and Mr. Thomas Standback.

The freedmen were present in large numbers, and were quite attentive and respectful in their deportment, throughout.

Yours, &c.

PEEIN.

SEYMOUR AND BLAIR AT MORRISVILLE.

The Seymour and Blair Club was more fully organized, on the 22nd., at Morrisville, by the election of the following officers, viz:

President.—Rufus H. Jones.

Vice Presidents.—A. G. Jones, Hiram Weatherspoon, L. M. Morgan.

Treasurer.—R. H. Slater.

Board of Directors.—A. K. Clements, Wm. M. Lowe, G. B. Bagwell, S. Scott, W. W. Page.

Recording Secretary.—L. M. Weatherspoon.

Corresponding Secretary.—J. G. Bagwell.

The meeting was rather large. More than one hundred persons present, both white and black. We have more than 60 names on the roll. Resolutions approving of the heroic action of Mrs. J. H. Hinton, in returning the keys and threatening her extinction in the Insane Institution, under its Radical rule, were adopted—tendering to her, if ever necessary, any pecuniary aid from this Club.

The Club will meet again on the Saturday before the 4th. Sunday in September.

SEYMOUR AND BLAIR IN LINCOLN, GASTON AND CATAWBA.

MESSRS. EDITORS:—The campaign has fully and energetically opened in the 27th Senatorial District. On Saturday, 8th Aug., a very large and enthusiastic meeting of the Conservative party was held in Lincolnton, which was addressed by Col. Jno. F. Hoke and David Schenck, Esq. It adjourned to meet again on the 22nd., at which time a much larger number appeared, and formed a Seymour and Blair Club, with the following officers: Jno. F. Phifer, President; A. Costner, D. A. Hayne, Vice Presidents; Wm. J. Hoke, Secretary; Seth W. Stubbs, Treasurer; V. A. McBee, W. H. Metz, D. Schenck, Mich'l. Finger and Alfred E. McBee, Executive Committee.

The meeting was very ably and eloquently addressed by L. E. Thompson, J. F. Hoke and D. Schenck.

On Saturday, the 15th., a large meeting at Sharon, in Lincoln county, was addressed by Wm. A. Graham, Jr., Wm. Bynum, Jr., and A. F. Brevard. On the same day, R. P. Waring addressed a large number of citizens at Woodlawn, in Gaston county. The same day, J. F. Hoke met a number of citizens at Baker's School House, in Gaston county. On Thursday, 20th., L. E. Thompson spoke to a meeting at Shady Grove, in Lincoln county. On Friday, 21st., the Conservatives of Gaston turned out and organized a Club, with Dr. Campbell as President. They were addressed by D. Schenck and J. F. Hoke. On the 26th., there will be a meeting at Esker's in Gaston and at Mat. Stubbs', in Lincoln.

You see that the ball has been opened and it will be kept up until the 3rd of November. Every effort will be made to redeem old Lincoln from the curse of Radicalism. The young men have formed a Club and are with us &c.

You shall hear from this District again.

Yours, W.

One Johnson, who is a candidate for the office of Attorney General on the Radical State ticket in Missouri, made a speech in Saline the other night, in which he is reported to have said:

"Gen. Grant, backed by the army and supported by the whole Radical party, would prevent, with the sword, the inauguration of a Democratic administration at Washington, even if it were elected by the people; and also that the Radical State government at Jefferson City would resist and put down in the same way any attempt to inaugurate the Democratic party into power in the State of Missouri."

The papers which are circulating forged acts, and are telling their readers what Wade Hampton did not say in South Carolina, would do well to inform their readers what prominent "peace" men of the Grant stripe do say in Missouri.—*N. Y. World.*

Our Afternoon Dispatches.

FROM WASHINGTON—ORDERS FROM GEN. GRANT.

WASHINGTON, Aug. 26, M.

It is announced, through the papers supplied with White House items by Gen. Dresser, the President's photographic writer, that Percy Fuller is appointed Collector of Customs at New Orleans.

General Grant instructs Meade, Thomas and Buchanan relative to the use of troops, to aid the civil authorities. The obligations of Federal Military officers and soldiers in common with citizens, to obey the summons of a Marshall or Sheriff, must be held subordinate to their paramount duty, as members of a permanent military body.

Hence, the troops can act only in their proper organized capacity, under their own officers, and in obedience to the immediate orders of the officer. The officer commanding troops summoned to the aid of a Marshall or Sheriff must also judge for himself, and upon his own official responsibility, whether the service required of him is lawful and necessary and compatible with a proper discharge of his ordinary military duties, and must treat his action absolutely to proper aid in the execution of the lawful precept exhibited to him by the Marshall or Sheriff.

FROM GEORGIA—THE LEGISLATURE.

ATLANTA, Aug. 26, P. M.

A bill introduced in the House to establish a State Police, and appoint a Chief, he to appoint subordinates, in each county, under the control of the Governor, to enforce the laws and preserve order.

Members of the Committee on privileges and elections presented a minority report on the ineligibility of negro members. A point of order was made that a minority could not report before the majority. The Speaker said it as the Committee had six weeks to make their report; failing to report, he decided the minority report was in order. An appeal was taken, and the chair was sustained 102 to 31.

The minority reports members as holding seats and not residents of the counties they represent; also are free persons of color, and under the State Constitution are ineligible. There is a disposition on the part of the majority, to prevent investigation.

FROM NEW ORLEANS—DEATH OF JAS. MANN, MEMBER OF CONGRESS.

NEW ORLEANS, Aug. 26, P. M.

UNIVERSAL

LIFE INSURANCE COMPANY,

NO EXTRA CHARGE. LOSSES PAID IN

FOR THIRTY DAYS.

FEMALE RISKS, No Restrictions on Travel or Residence

OF NEW YORK.

Office, No. 69, Liberty Street.

The Original Joint Stock Life Insurance Company in the United States.

The Business of this Company is exclusively confined to the Insurance of First Class, healthy lives.

The Distinctive Feature

Of the STOCK system of Life Insurance, as opposed to the Mutual, is a low rate of premium, for stated sums, secure, definite, immediate, sure and certain, in lieu of a high rate of premiums and prospective dividends, which is distant, contingent and uncertain—this so-called dividend being merely a return of a portion of the excessive and unnecessary premium charged in the first instance.

The premiums charged by the "UNIVERSAL" are nearly one-third lower than those charged by the Mutual Companies.

The "UNIVERSAL" desires to call the particular attention of Agents and others to the new "Return Premium Table," which has been prepared by the Actuary of the Company. It will be noticed that these Rates average less than the ordinary rates charged by Mutuals. The inducements offered by this table are equal to a reversionary dividend of one hundred per cent. of all premiums paid.

Rates to Secure $1,000 at Death, with a Return of all Premiums paid.

AGE.	Ordinary Life Rate.	Ten Payments Rate.	AGE.	Ordinary Life Rate.	Ten Payments Rate.
25	$22 43	$ 7 48	45	$33 48	$78 18
30	25 25	45 10	50	74 57	104 27

40	30 36	57 14	60	163 21	201 07

Example: A person aged 30 insures for life for $1,000, and pays $25.10 per annum on the 10 payment plan, and dies after having paid five annual payments, or $125.50, his policy will be good for $1,215.50.

NON-FORFEITING CASH RATES

OF THE

ÆTNA LIFE INSURANCE COMPANY,

OF HARTFORD, CONN.

ASSETS, $10,000,000

DIVIDEND, Fifty per Cent.

$130 to pay every 100 of Liabilities.

$7,000 Members, and constantly increasing.

DESCRIPTION OF POLICIES.

First.—Whole Life Policies.
Second.—Endowment Policies, for terms of ten, fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen or twenty years within the insurance term; or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the published rates, will participate in the surplus from the date of issue.

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no selection be made, the dividends will always be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient as to make the same in force for its *full amount*, without further payments, the assured may at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a percentage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby, will be paid in *full*, without regard to the time fixed therein for its payment.

This system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but, at the same time, an annual income until death, and so it shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premiums to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON FORFEITURE RULES.

No Whole Life or Endowment Policy on which two or more annual cash premiums have been paid, shall be forfeited for failure to make further payments, as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends then accumulated, will purchase—taken as a single net premium at the "actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

No Whole Life or Endowment Policy shall be forfeited by an exposure of the assured life in violation of the conditions expressed therein, unless death shall occur CAUSED OR IN CONSEQUENCE of such exposure, when the full Cash Value of the Policy, together with all accumulations from dividends, will be paid upon the policy.

INCREASE OF INSURANCE.

Applications to increase the sum insured on any life will always be considered as applications for new insurance, and, if granted, such increase of insurance will be granted unless the unimpaired condition of the assured life shall have been proved by medical re-examination.

THE NATIONAL DEMOCRATIC CONVENTION!

THE PLATFORM.

"The Democratic party, in national convention assembled, reposing its trust in the intelligence, patriotism, and discriminating justice of the people, standing upon the Constitution as the foundation and limitation of the powers of the Government, and the guaranty of the liberties of the citizen, and recognizing the questions of slavery and secession as having been settled, for all time to come, by the war or the voluntary action of the Southern States in constitutional conventions assembled, and never to be renewed or reagitated, do, with the return of peace, demand:

First.—Immediate restoration of all the States to their rights in the Union, under the Constitution, and of civil government to the American people.

Second.—Amnesty for all past political offences, and the regulation of the elective franchise in the States by their citizens.

Third.—Payment of the public debt of the United States as rapidly as practicable; all moneys drawn from the people by taxation, except so much as is requisite for the necessities of the Government, economically administered, being honestly applied to such payment, and where the obligations of the Government do not expressly state upon their face, or the law under which they were issued does not provide that they shall be paid in coin, they ought, in right and in justice, to be paid in the lawful money of the United States.

Fourth.—Equal taxation of every species of property according to its real value, including Government bonds and other public securities.

Fifth.—One currency for the Government and the people, the laborer and the officeholder, the pensioner and the soldier, the producer and the bondholder.

Sixth.—Economy in the administration of the Government; the reduction of the standing army and navy; the abolition of the Freedmen's Bureau (great cheering) and all political instrumentalities designed to secure negro supremacy; simplification of the system and discontinuance of inquisitorial modes of assessing and collecting internal revenue, so that the burden of taxation may be equalized and lessened, the credit of the Government and the currency made good; the repeal of all enactments for enrolling the State militia into national forces in time of peace; and a tariff for revenue upon foreign imports, and such equal taxation under the internal revenue laws as will afford incidental protection to domestic manufactures, and as will, without impairing the revenue, impose the least burden upon and best promote and encourage the great industrial interests of the country.

Seventh.—Reform of abuses in the Administration, the expulsion of corrupt men from office, the abrogation of useless offices, the restoration of rightful authority to and the independence of the executive and judicial departments of the Government, the subordination of the military to the civil power, to the end that the usurpations of Congress and the despotism of the sword may cease.

Eighth.—Equal rights and protection for naturalized and native born citizens at home and abroad; the assertion of American nationality which shall command the respect of foreign Powers, and furnish an example and encouragement to people struggling for national integrity, constitutional liberty, and individual rights; and the maintenance of the rights of naturalized citizens against the absolute doctrine of immutable allegiance and the claims of foreign Powers to punish them for alleged crime committed beyond their jurisdiction.

In demanding these measures and reforms we arraign the Radical party for its disregard of right, and the unparalleled oppression and tyranny which have marked its career. After the most solemn and unanimous pledge of both Houses of Congress to prosecute the war exclusively for the maintenance of the Government and the preservation of the Union under the Constitution, it has repeatedly violated that most sacred pledge, under which alone was rallied that noble volunteer army which carried our flag to victory.

Instead of restoring the Union, it has, so far as is in its power, dissolved it, and subjected ten States, in time of profound peace, to military despotism and negro supremacy.

It has nullified there the right of trial by jury; it has abolished the *habeas corpus*, that most sacred writ of liberty; it has overthrown the freedom of speech and the press; it has substituted arbitrary seizures and arrests, and military trials and secret star chamber inquisitions for the constitutional tribunals; it has disregarded in time of peace the right of the people to be free from searches and seizures; it has entered the post and telegraph offices, and even the private rooms of individuals, and seized their private papers and letters without any specific charge or notice of affidavit, as required by the organic law; it has converted the American capitol into a barrie; it has established a system of spies and official espionage to which no constitutional monarchy of Europe would dare to resort; it has abolished the right of appeal on important constitutional questions to the supreme judicial tribunal, and threatens to curtail or destroy its original jurisdiction, which is irrevocably vested by the Constitution, while the learned Chief Justice has been subjected to the most atrocious calumnies merely because he would not prostitute his high office to the support of the false and partisan charges preferred against the President. Its corruption and extravagance have exceeded anything known in history, and by its frauds and monopolies it has nearly doubled the burden of the debt created by the war. It has stripped the President of his constitutional power of appointment even of his own Cabinet. Under its repeated assaults the pillars of the Government are rocking on their base, and should it succeed in November next, and inaugurate its President, we will meet, as a subjected and conquered people, amid the ruins of liberty and the scattered fragments of the Constitution; and we do declare and resolve that ever since the people of the United States threw off all subjection to the British Crown, the privilege and trust of suffrage have belonged to the several States, and have been granted, regulated, and controlled exclusively by the political power of each State respectively, and that any attempt by Congress, on any pretext whatever, to deprive any State of this right, or to interfere with its exercise, is a flagrant usurpation of power which can find no warrant in the Constitution; and it sanctioned by the people will subvert our form of government, and can only end in a single centralized and consolidated Government, in which the separate existence of the States will be entirely absorbed, and an unqualified despotism be established in place of a federal union of co equal States; and that we regard the reconstruction acts (so called) of Congress as usurpations, and unconstitutional, revolutionary, and void; that our soldiers and sailors, who carried the flag of our country to victory against a most gallant and determined foe, must ever be gratefully remembered, and all the guarantees given in their favor must be faithfully carried into execution.

That the public lands should be distributed as widely as possible among the people, and should be disposed of either under the pre emption or homestead laws, and sold in reasonable quantities, and to none but actual occupants, at the minimum price established by the Government. When grants of the public lands may be allowed necessary for the encouragement of important public improvements, the proceeds of the sale of such lands, and not the lands themselves, should be so applied.

That the President of the United States, Andrew Johnson, (applause,) in exercising the power of his high office in resisting the aggressions of Congress upon the constitutional rights of the States and the people, is entitled to the gratitude of the whole American people, and in behalf of the Democratic party we tender him our thanks for his patriotic efforts in that regard."

CONSTITUTION AND BY-LAWS FOR CLUBS.

We have received letters from several sources, requesting us to send printed copies of a Constitution and By-Laws for the organization of Seymour and Blair Clubs.—Having none on hand, and no funds to print them, we have prepared the following Constitution and By-Laws, as a guide for Clubs, and submit them to the consideration of our friends. They were submitted to the Young Men's meeting to form a Seymour and Blair Club, in this city, on Tuesday night, and unanimously adopted:

CONSTITUTION.

ARTICLE 1st. This Association shall be styled the ——— Club of ——— of North Carolina.

ART. 2. The objects of this Association are as follows: To unite in close political compact every Democrat, Conservative, or by whatever name known, in North Carolina, for the support and defence of the Constitution of the United States; the promotion of the peace and good will of society and the harmony of the Union; the proper enforcement of law and order by legitimate forms, and the utter destruction of Radicalism every where, by the election of HORATIO SEYMOUR, of New York, as President, and FRANCIS P. BLAIR, of Missouri, as Vice President, and all other Democratic and Conservative nominees for any office; and, further, to promote the mutual benefit and protection of each other in all lawful pursuits, aiding each other in business, as being members of one great political family, seeking to promote each other's welfare, and especially to extend such aid to those who have been or may be ignored or proscribed by the Radical party, as the Association may be able.

ART. 3. The officers of this Club shall consist of a President, three Vice Presidents, a Recording Secretary, a Corresponding Secretary and a Treasurer, who shall perform the duties usual to such offices, and who, together with Five Directors, shall be elected annually at the annual meeting of the Association, and shall constitute an Executive Board, to whom shall be committed the interests of the Club.

ART. 4. This Constitution, and such By-Laws or Regulations as the Club may adopt, may be altered, amended or changed at any public meeting of the Club, by a vote of two-thirds of the members present.

SUBSCRIPTION.

We, whose names are hereto annexed, do solemnly pledge our word and sacred honor, constantly and faithfully to promote the objects and aims of this Club as set forth in the foregoing Constitution, and do hold ourselves ready to defend the same, and to protect, to the extent of our ability, every member of this Association throughout the state.

BY-LAWS AND REGULATIONS.

1. Every member of this Club shall sign and subscribe the Constitution, in order to recognition.

2. All monied contributions to the objects of the Association shall be voluntary, and shall be held by the Treasurer, who shall keep an exact account and disburse the same only on the order of the Executive Board, to whom he shall submit his accounts when ordered.

3. The Club shall order its public meetings when and where it chooses, and the President may call meetings when desirable, but the Executive Board, or such of its members as may be designated, shall select speakers and make all necessary arrangements

4. Each member of the Executive Board is hereby appointed a Committee to solicit names for membership, also monied donations for the objects of the Club, and to attend to the general interests of the Club, such as directing the correspondence, procuring and circulating documents, &c.

5. The Executive Board shall meet to transact the private business of the Club as often as it may order, (and the officers of the Club shall be ex-officio officers of the Board;) when the names of members shall be presented for registration or dismissal for good cause, to consider the financial business of the Club, and such other private matters as may be necessary. All members of the Club may attend the private meetings of the Board when convenient, and may give counsel, but the business of the Board will be determined by the vote of the Board itself.

6. Any member of the Club intending to move to any other section, may obtain a certificate of his membership in this Club, if he desire it, to be signed by the President and Secretary.

7. The Executive Board of each Club will give special attention to all matters of registration, voting, &c., see that all do their duty, and that the law is strictly observed, that all fraud or mal-practice is detected and duly punished.

REMARKS.

1. In South Carolina, Georgia, Mississippi and other Southern States, strong Democratic Clubs are being formed, composed of colored citizens. The Constitution above is so worded that it can be adapted to any place or persons. If Democratic Clubs can be formed entirely of colored persons, perhaps it will be best; but where there are few, the Clubs may decide to enter them on their registers or not, as they may elect.

2. We would suggest that Young Men's Clubs, everywhere, should embrace all young men, from 18 years of age, and upwards. Many old men are faint-hearted, timid, afraid to let people know their political *status*. Take in the young men, who have the pluck, and who may be educated to love the Constitution and the country, and who will always vote right, when they become of age. We need the ardor and boldness of youth, as well as the prudence and wisdom of age. The necessity for this, however, would be obviated, if the young men, under the age of 21, would form Clubs of their own.

3. We insist upon forming Clubs in every Ward, in every precinct and Captain's District in the State, where 25 or 30 members, and as many more as possible, can be obtained. The more the better. The talent and energy of all our people must be brought out. It will not do to let the old men and the old party managers do all the managing and the talking. We *must put every man* in some position to be useful. By having a Club in every Ward and every neighborhood, we can find room for a great many as officers and talkers and working men. We can have our Club meetings out of doors, these pleasant nights, by moonlight or camp fires, and there will be a chance for *every man*, who can make a talk, or a little speech, or a great speech, to do something in that line. Let the Clubs be formed. Bring out all our men to work for the Constitution and the country, and let us save them by the election of Seymour and Blair!
